ROUTE 66 RAILWAY

The ultimate journey for fans of railroads and the Mother Road!

In this expanded second edition, acclaimed writer and photographer Elrond Lawrence explores the historic 90-year bond between the Santa Fe/BNSF Railways and U.S. Highway 66 in the southwest.

Thrill to colorful images of Santa Fe's famed Warbonnets, high-tech BNSF trains, Amtrak's Southwest Chief, and steam specials racing past neon motels, quirky cafes, curio shops, and Harvey Houses. Learn how the railroad paved the way for Route 66. You'll also enjoy a glimpse of trains and attractions in Oklahoma, Missouri, and Illinois.
